

CreditSights for Hedge Funds

Our award-winning fundamental and quantitative research is designed to help you in your quest to provide superior returns through all market conditions. CreditSights' insights are important inputs that help fund managers to exploit market abnormalities and gain an informational edge as they seek to maximize returns and minimize downside.

Breadth, Depth and Experience

- **Broad Coverage** – our 100 credit analysts have deep sector experience across 35 industries within 7 sectors covering over 1,000+ bond issuers.
- **Depth of Expertise** – individual teams with dedicated focus on high yield, distressed, investment grade, emerging markets, APAC, Munis and Strategy.
- **Counsel on Complexity** – our legal teams in the US and UK break down the fine print and investor ramifications of high yield and distressed credit covenants, M&A and LBO activities.

Improve Your Workflows

- **Uncommon Insights** – primers offer single-name depth, industry context and a strategy overlay.
- **Trading Ideas** – insights that inform your tactical investment strategies.
- **Fixed-Income Outlooks** – calls on short- and long-term outlooks, spreads and benchmark rates.
- **Timely Tools** – our risk products provide credit deterioration, screening for approved issuers and idea generation.

Augment Your Team

- **Global Experience** – an extension of your research team, our analysts are on the ground in the US, Asia and Europe.
- **Industry Veterans** – more than half of CreditSights' analysts have been in the industry for 20+ years. Their average tenure of over 10 years covering a sector enables them to provide through-the-cycle context.

Trusted and Accessible

- **Direct, High-Touch Access** – our Ask an Analyst tool, in-person meetings, sector teach-ins and a slate of conferences and webinars eliminate friction in your intel gathering.
- **100% Independent** – we do not underwrite securities or manage assets. Rather, we support and guide those who do with insights that are free from any conflicts of interest.

Local expertise + deep sector knowledge = *intellectual capital you can act on.*
