

Credit Research for Risk Desks

Our award-winning fundamental and quantitative credit research is designed to help in your quest to diversify risk and provide superior returns through all market conditions. At CreditSights, we deliver completely independent and unconflicted insights. Our timely reports, in-depth coverage and unbiased ideas and recommendations are the informational edge needed when it comes to credit risk.

Breadth, Depth and Experience

- **Broad Coverage** – we cover 1,000+ credits, including both well-known issuers and hundreds of lesser-known names.
- **Depth of Coverage** – our 100 credit analysts have deep sector experience across 35 industries and seven sectors spanning Investment Grade, High-Yield, Emerging Markets, APAC and Distressed Debt, plus our Munis and Strategy teams.

Improve Your Workflows

- **Timely Tools** – our risk products provide credit deterioration, screening for approved issuers and idea generation
- **Uncommon Insights** – primers offer industry context, strategy overlay and single-name depth.
- **Fixed-Income Outlooks** – analyst calls on short- and long-term outlooks, spreads and benchmark rates.
- **Trading Ideas** – insights that inform your tactical investment strategies.

Augment Your Team

- **Global Experience** – an extension of your research team, our analysts are on the ground in the US, Asia and Europe.
- **Industry Veterans** – more than half of CreditSights' analysts have been in the industry for 20+ years and have seen every market cycle. Their average tenure of over 10 years covering a sector enables them to provide through-the-cycle context.

Trusted and Accessible

- **Direct, High-Touch Access** – between our Ask an Analyst tool, in-person meetings, sector teach-ins and a slate of conferences and webinars, we help eliminate friction in your intel gathering.
- **100% Independent** – we do not underwrite securities or manage assets. Rather, we support and guide those who do with insights that are free from any conflicts of interest.

Local expertise + deep sector knowledge = *intellectual capital you can act on.*
